

HOLISTIC TAROT SUPPLEMENT

This text is offered as a supplement to *Holistic Tarot: An Integrative Approach to Using Tarot for Personal Growth* (North Atlantic Books, 2015) by Benebell Wen.

Sample Template for a Privacy Policy

If you have a tracker on your website that logs visitors, or you enable comments on your blog, or are in any way collecting user information, like an e-mail contact page, *and* you're engaged in commerce, then you better have a Privacy Policy posted on your website to protect yourself. As a tarot reader, you are probably accepting online reading requests, in which case you are collecting people's names, e-mail addresses, personal information, and contact information. If you're doing that, then you had better get a Privacy Policy up (and, if you're accepting paid reading requests, then a Terms of Use or Terms of Service as well, to be discussed in another supplement). The below sample template is free for your use. Copy, edit, modify, and post at will. However, I take no responsibility for how you end up using this document. You should consult a licensed attorney in your area to get a Privacy Policy specifically tailored to your type of business. What I provide here is a broad, overly general boilerplate, cookie-cutter template only (albeit one for tarot readers...this template is not going to work for non-tarot-reader businesses because I address tarot reading services directly). No matter what, use with discretion. Note also this document assumes U.S. jurisdiction.
