According to Greer, the Personality Number is the first theosophical reduction of the sum of your birth month, birth day, and birth year, down to 1 through 22. If that number is a single digit, then that is also your Soul Number. If the Personality Number is double digits, then reduce the double digits to a single digit, 1 through 9, and that is your Soul Number. Ex. For someone born March 18, 1988, the Personality Number is 11 (The Chancellor) and the Soul Number is 2 (The Priestess). The Personality Number is your innate character, disposition, persona, and temperament. It’s your psyche. The Soul Number sheds light on your life purpose, the Great Work destined by your soul, and how best you personally contribute to the greater good. Soul Numbers 1-3 have 3 Keys; all others have 2.
